As most of you will know, it was with regret that I informed the 28th March meeting of our District Council that District Governor Elect Trevor Sayer had resigned.

Since the District Council meeting, many of us in the District have been engaged in discussions about the best way forward for the District, and this culminated in a special meeting of the District Executive Committees for 2011/12 and 2012/13, which was requested by RI Director Alan Jagger, who chaired the meeting, and attended by RIBI President-Elect, John Minhinick.

At that meeting, which was by way of mediation, we had a full, frank and constructive discussion of the issues which culminated in Trevor's resignation. At the end of the discussion, Trevor indicated his willingness to withdraw his resignation, and all the members of the 2012/13 Executive confirmed their willingness to support him.

I personally am pleased at this outcome, and I hope that this problem is behind us and that we can look forward, in the spirit of Rotary, to a successful year under Trevor's Governorship.

Of course, this resolution requires the consent of the District as expressed through its District Council, and accordingly I am convening a special meeting of the District Council to be held immediately before the District Assembly at Lynford Hall on 28 April. I hope that as many as possible of the "regular" club delegates to District Council can attend, in addition to those Rotarians who will be attending Assembly, to give support to this way forward.
